

iGLO LED Triple LED Motion Security Light Series - 30W

ENVIRONMENTALLY FRIENDLY, ENERGY EFFICIENT

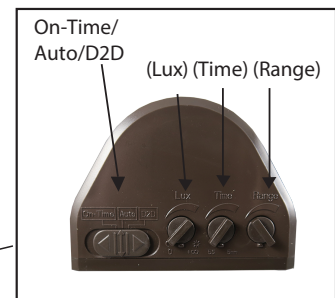

iGLOLED
IGLOLED.NET

RoHS

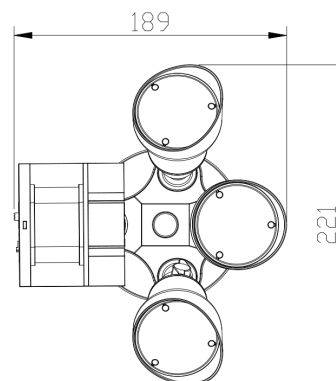

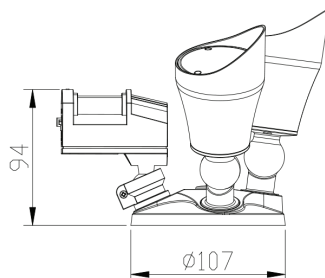

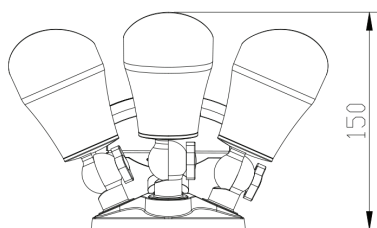

Features

- cULus, cETLus, RoHS certificates.
- Energy saving and environmental protection.
- Stable illumination and long service life.
- Optical grade PC lampshade allows excellent light emission, resists aging.
- Plastic enclosure enveloped with aluminum featuring high heat conduction allows good heat dissipation.
- Strict waterproof processing technology.
- Three-dimension rotation.
- The lighting effects will not be affected due to weather.
- The inductor with adjustable angle.

Applications

Corridor Lighting, Supermarkets
& Storage rooms, Library and
etc.

iGLO LED Triple LED Motion Security Light Series - 30W

ENVIRONMENTALLY FRIENDLY, ENERGY EFFICIENT

PRODUCT SPECIFICATIONS

iGLO LED Security Light (3 heads):	GL30WMSL3HSC5000KU0X-W GL30WMSL3HSC5000KU0X-B
Wattage:	30W
Lumens:	2700 lm
CCT:	5000K
Input Voltage:	100-277VAC, 50/60Hz
Power Factor:	≥0.92
Efficacy:	90 lm/W
CRI:	≥80
Dimensions:	189*221*150mm
Projected Hours (Life Span):	≥50,000 Hours
Beam Angle:	100°
Detection Angle:	150°
Housing Color:	White / Brown
Application:	Dry or Damp position
Waterproof Rating:	WET (IP65)
Certificates:	cULus, cETLus, RoHS
Warranty:	3 Years
